

because the devil has gone down to you filled with fury ...” (Rev 12,12) This mighty rage is burning in Lucifer because he knows he is unable to harm GOD. With this anger and hatred he is aiming at the children of GOD. He tempts them with all his possibilities in order to draw them to him down into hell. That is horrific!

The Heavenly Army Commander

There is no earthly comparison for the appearance of saint Michael. Never have I seen a man, an army commander on earth, who in such a powerful way possesses the strength of GOD, who is able to defeat all hell with a single breath from his mouth, and yet radiates such goodness, such humility. Saint Joseph has something similar about him, he is the terror of the evil spirits, yet not in army commander fashion. – If only you could experience how in Heaven the feast day of the Prince Archangel is celebrated. If you could see saint Michael, you would believe to have seen GOD. And this mighty one kneels here at the Holy Consecration at the altar in adoration of GOD in the Most Blessed Sacrament. An incredibly exalted posture. – „Come, let us adore and kneel before the LORD ...”

Saint Michael

My beloved, the day will come when Saint Michael will rise against Satan. How much has the Church sunk in a short period of time. Almost from one day to the next the whole Church – from Rome to the smallest mountain village – was shrouded in Satan’s smoke. This smoke smothered the love of GOD with very few exceptions. No work of man, however ingenious it may be, could achieve this. The strategy and power of Satan lies behind it. For saint Michael it is, nonetheless, no hard fight when putting a stop to these dark activities of the Evil One and bringing about a change.

We ought to know, Lucifer was once the greatest Angel in Heaven – he was the Angel of light. Now he is the opposite: the angel of darkness! All his power and strength will now through men be directed against GOD. Saint Michael will also at the end of the world rise against Lucifer, when Lucifer, embodied in the Antichrist, will, triumphing in his pride, stage-manage a quasi-ascension. But on high saint Michael will be ready. He does not draw his sword but only breathes on him. This breath will send him toppling into hell for good and for ever.

They Triumphed Over Him by the Blood of the Lamb

I know that a case is made for the thesis that the devils will at long last become converted and go to Heaven. My beloved, if that should be the case, then CHRIST’s sacrifice of the cross would not have been necessary. Sacred Scripture says: „They triumphed over him by the blood of the Lamb ...” (Rev 12,11) The Angels who rose against GOD were given the grace to recognize their mistake. Merely going down on their knees before GOD, a token of humility would have been needed and they would have been forgiven. But their pride would not allow it and so they plunged into hell for ever: „The great dragon was hurled down, that ancient serpent called the devil or Satan ...” (Rev 12,9) „But woe to the earth and the sea;
